

THE SHIPPING CORPORATION OF INDIA LTD.
(A Government of India Enterprise)

Regd. Office - "Shipping House", 245, Madame Cama Road, Mumbai - 400 021.

Applications are invited from Unmarried Eligible Graduate Engineers for admission to Graduate Marine Engineers (GME) Course at SCI's Maritime Training Institute, Powai, Mumbai, scheduled for commencing from 1ST June 2023.

As a National Carrier and the country's premier shipping line, The Shipping Corporation of India (SCI) owns and operates around half of the Indian tonnage, and has operating interests in practically all areas of the shipping business; servicing both national and international trades.

In view of the demand from Indian and International trade, SCI has diversified into a large number of areas. Today, SCI is the only Indian shipping Company operating Tankers, Product Carriers, International container services, Liquid/dry bulk services, LPG & LNG, Offshore services, Passenger services. In addition, SCI mans and manages a large number of vessels on behalf of various government departments and organizations.

ABOUT GME COURSE:

GME course is conducted by SCI's Maritime Training Institute (SCI -MTI) at Powai, Mumbai. This course is approved by Directorate General of Shipping (DGS). GME course comprises of pre-sea training of 08 months at MTI Powai, Mumbai and total structured shipboard training of 10 (4+6) months thereafter on ships operated by SCI.

JOB PROSPECTS:

After completion of 08 months shore training as GME and total 10 (4+6) months structured shipboard training as GME, candidates can appear for Marine Engineer Officer (MEO) CLASS-IV PART "A" and MEO CLASS IV PART "B" examination for issuance of Certificate of Competency (COC) by Directorate General Of Shipping (DGS). However, as per DGS guidelines, the candidates holding Degree in Mechanical Engineering and Marine Engineering streams are exempted from appearing in DGS examination of MEO CLASS-IV PART "A" and they will directly undergo MEO Class-IV, Part-B examination upon satisfactory completion of total 18 (12 + 6) months training period. On completion of satisfactory performance of training period and after passing DGS examinations of MEO Class -IV , Part-A (as applicable) and MEO Class-IV, Part-B and holding COC for MEO Class-IV , SCI will employ these candidates as a regular SCI employees ,on ships owned, manned or operated by SCI as per INSA - MUI Agreement ,

provided candidates must join SCI ships within 18 months from signing off from only their last SCI ships. Also candidates will be required to furnish an indemnity bond to SCI for agreeing to serve on SCI vessels for a period of 5 years after obtaining the MEO CLASS IV PART B certificate of competency. In the event of breach of Indemnity, candidate shall be liable to pay Rs. 3.00 Lakhs towards the expenses incurred on the skill development. After obtaining necessary sea experience and higher certificates of competency the candidate can rise to the rank of Chief Engineer officer on the ship.

ELIGIBILITY:

As per DGS guidelines, the following categories are eligible to undertake the admission for pre-sea Training of 8 months shore training by SCI-MTI.

- (I) Category (a) - A full time BE / B. Tech in Engineering streams e.g. Mechanical and
- (II) Automation , Mechanical and Electronics, Mechanical and Automobiles etc. However, the word “ Mechanical “should be first indicating that mechanical engineering is the core and the second subject is the elective with minimum 50% marks in final year of Engineering Degree
